Many scouts in the Roadrunner patrol are about to get their second class. Right now we are working on 1st class skills. JD is helping us achieve our requirements that we need.

Scoutmaster Minute

Dear Troop,

This month is for giving thanks for the things that we have. Too many people get caught up with the things that they do not have instead of the all of the gifts that God has given us. One of the great gifts that we all have are our families. I have a nice large family of my own and it is a special time for my family to get together during the holidays.

I looked up the meaning of family in the dictionary; there are many meanings to family. Of course, there is one that comes to mind: *“a group of individuals living under one roof and usually under one head”*. But there is another meaning of family and it is: *“a group of people united by certain convictions or a common affiliation : ‘FELLOWSHIP’”* This meaning is how I feel about our troop. We not only have a common affiliation and goals, but we have the fellowship – we do treat each other with caring and kindness, not because we are told to do so, but we do so because we like our “troop family”.

I would like to say that I am deeply honored and grateful for the award that you nominated me for, especially to: Royce, Tanner, Mr. Dennis Jones and Mr. Leger – Thank you.

I also want to say thank you to Bill Benigar for taking care of me at the hospital on the Air Force Academy trip.

As the holidays quickly approaching, I would like to extend my appreciation and gratitude to all of you.

God bless all of you and may your Thanksgiving be truly a good time to remember.

Most of you can see that we are starting to wind down another busy autumn at 448. Popcorn sales were good, Scouting For Food was well attended, and Lazer Tag was all-out fun. The trip to the Air Force Academy is around the corner, and it looks like Snow Mountain Ranch is now a "Go". Recharter is in February, and just as a heads up, the fee has been increased from \$7.00 to \$10.00 this year.

As we approach the holiday season, there will be many activities going on, and I just want to remind everyone to take a deep breath and relax once in a while so you can also enjoy this season of merriment and reflection.

At your Service,
Randy

Program

Each of the scouts received a list of how many Eagle required merit badges they still need to complete. Along with this list were the names of the counselors they need to talk to about completing the requirements.

Some of the boys are only missing one or two requirements, so we are planning 3 troop meetings (Nov. 19, Dec. 3, and Dec. 10) where the scouts who are not participating in Communications can have time to wrap up any outstanding merit badge requirements.

Please talk to your scout about which requirements they need to work on.
