Scoutmaster Minute

Dear Troop:

As I look at my calendar on my wall, I noticed that it is the middle of May, where has this year gone? I look back and I remember a lot of good scouting fun we had together. This is a time of year that the school year is getting over. For some of you, it is going only from one grade to another, for others it is moving on to another school. And even others are entering the big world either via collage or by other paths. All of this is new and exiting, but it can be both fun and sad. Remember that you have the memories, experiences, knowledge and most of all – the friendships you have made this year. Where ever your path will take you – remember the Scout Law and Oath, and you will do just fine.

Again, if anyone has any concerns, please contact me, we are family.

Have a great summer

Committee News

Hello to all as we welcome warm weather. School will be out soon, and our Scouts will be looking forward to some well deserved rest. Dillon and Steve will be graduating from high school, and will be entering into adulthood to become "one-of-us".

I want to take this time to remind everyone that our program is year round. Please check this newsletter and the online calender to see what is going on. Like last year, Troop 448 is involved in TWO Summer Camps; one in Yellowstone National Park, and the other at Peaceful Valley. I encourage all Scouts to participate in one of these great adventures.

As a personal note to all parents: The Troop Planning Meeting in August will also include a breakout meeting for parents. Along with a few agenda items I have, I would like to hear suggestions from you prior to this meeting on some topics to discuss relating to the Troop. This could include activities, camping, leadership, Committee Positions, etc.

Thanks, and have a good summer.

Thank you, Mrs. Boles

Fundraising

Calling all cans! We will have an aluminum can recycling day this summer! Start saving all your cans! We will take all of our cans to a recycling center, or can bank, and use the proceeds for either the trailer account or for our upcoming trip to Alaska.

There will be prizes award to the two Scouts who have brought in the most cans! We will also have a pizza party afterwards! More information will be coming soon, as soon as the date is finalized!

Have your parents get coworkers to save cans at work, and have your friends save cans for you!

Thank you!
