### Scribe/Eagle Scout

written by: JD

Dear Scouts,

I will not be able to finish my term as Scribe of the Troop. I have turned 18. I need someone to take over for me. It is an easy job that takes minimal effort. Please call the Scoutmaster or SPL if you wish to take the job.

As an Eagle scout in the Troop, I would like to thank everyone for their help on my project. My Court of Honor will be on Sunday, June 20th, at 7pm. I would

like to invite all of you and your families to attend. Also, if you would like to help during the ceremony, please call me. It would be greatly appreciated.

## Scoutmaster Minute

Dear Troop

Remember, learning is a life long undertaking, not just when you are in school. You learn all of the time, you may not know it, but you do. You learn to do new things daily. Sometimes people associate learning with being a chore, well it can be if you think it is. I know that some topics can be – well Yuk, but you can change your perception on things. This goes with everything in life. If you think something can be fun, you try it, or you think it can be no fun, and then it more than likely will be yucky. So, I challenge you during the summer, try to find something new and try it. Go on an outing that may not seem to be your thing, you might find it is your thing. Or find another activity with a friend or a family member (of course make sure it is ok with your parents first). Life is full of cool things to do, you just have to be brave and go for it.

Have a great summer and take care.

## Programs

written by: Mary Ann Pettit

We are always looking for merit badge counselors. Parents make sure to tell Mary Ann Pettit if you are willing to help us with any merit badges. Just let us know what your expertise or interest(s) are. Don't forget the Court of Honor is June 27th. Please remind your scout to finish up any unfinished requirements, so they will be able to get their merit badges at the June Court of Honor. If they are not sure which requirements they are missing, then they need to talk to their counselor. During June and July the scouts will be working on Citizenship in the Community, Indian Lore and Leatherworking.
