I remember the different neckerchief slides my grandfather made. He made a lot of them. They were cool.

We are looking forward to summer camp and to the end of school. We are going golfing in August. Next month will be a blast- the end of school and the camps.

Wolverines

written by: Trevor

Most of us plan to go to the backpacking and water world.

Tahosa was a blast for the people that went. Steven and Trevor are having a band event on May 11. We are upset that Boondocks was cancelled. We have been a big part of the Pack and plan to stay that way.

Scoutmaster Minute

Dear Troop

The troop is keeping very busy, we just got done with the Scout Show last month, thanks to all the helpers on that – Shawn did a great job. The Tahosa outing was very cool (more than one way) and I enjoyed that outing because I got to know some of you better. Now we have the backpacking trip this month, this is going to be lots of fun and a good first trip for the summer. Then summer camp at PV, that is very cool, we have most of the troop going, even some of you going to other trips. Yes, we are keeping busy.

Have a great summer !

Starting in May the scouts will be working on the Communications (Eagle required) merit badge.

They will also continue working on the music merit badge with Robin. While the Wolverines continue working on their First Class Skills.

Don't forget to remind the scouts to finish up any remaining requirements from E. Prep so they can receive their badges in time for the Court of Honor on June 26th.

Fundraising

written by: Karen Benigar

Our last aluminum can recycling day was the last Monday of March. We donated the proceeds, \$68.00 to the Mile High Chapter of the American Red Cross. Our intention was to help with the Tsunami Relief, but they stopped collecting for that at the end of February. We donated to the Mile High Chapter, and the proceeds will go towards helping people in Jefferson County for disasters such as fire and explosions. The Scouts who participated, Adam, Jacob, Matthew and Tommy, Steven and Charlie, and Erik were presented with certificates from the American Red Cross at last Tuesday's meeting.

Please keep bringing ink jet/laser jet cartridges for recycling, and also bring newspaper, scrap paper, and put it in the white recycling bin. Please keep saving aluminum cans, we will have another aluminum can recycling day sometime during the summer.

We have reserved booth #5 for the Green Mountain High School craft fair in October. I will be asking the Scouts over the next few months, but items they want to make to sell this year.
