Scoutmaster Minute

Dear Troop,

I want to say thank you for all of your help and support, I really appreciate the help after the meetings. The Troop is going through the re-chartering process. This means two things, one is that some of the members will be going on to explore other parts of their lives. It also means that we will gain new members. I welcome both events because the people that are leaving mean that they are exploring new ideas and activities-of course I will miss them. I am looking forward to the new troop members because I like making new friends and learning from their experiences. I hope you guys feel the same way I do.

Recycling

Thank you everyone for bringing cardboard, bottles, cans AND newspaper and scrap paper! We are filling the collection bin quickly. We are still trying to get an extra collection bin, but so far have not. Once we receive an extra bin, then we can fill them up.

Please remember to continue to save your aluminum cans. We will have another recycling day sometime this quarter.. Please remember to also continue to save printer cartridges and old cell phones for recycling!

Thanks for all your participation during 2005.
