SPL's

Camporee was a blast. It was very wet and cold. Air Force is going to be a blast. We are going to win the game at Air Force. Plus our good turn project is going to be fun and helpful. Plus lock-in is only 2 months away.

Mighty Alligator Patrol

We just can't wait for Halloween and get lots of candy. Go New England you can do it. We are also excited for our Air Force Academy trip. We all had fun at the Camporee.

The Camporee was awesome especially pioneering, which we manned. The weather, I think, was great, especially for the time of year.

Scoutmaster Minute

Dear Troop

Here is something to think about:

Watch your thoughts;
They will become words

Watch your words;
They will become your actions

Watch your actions;
They will become your habits

Watch your habits;
They will become your character

Watch your character;
They will become your destiny

With this in mind, remember how you treat people, it will come back at you, good or bad.

So, always leave someone in a better mood than you meet them.

Due to the higher cost of food, the committee has decided to raise the rates for the meals for the outings. Instead of \$3 per meal it is now \$4.00 per meal per person.

Please continue to bring in your recycled ink (toner) cartridges. And save your aluminum cans for our next pickup.

Just a reminder that the contest ends the last week of November. Please start bringing your cans to the troop meeting starting this week.

As usual the patrol who brings in the most cans will win a food prize! All patrols can participate. The Rocking Chair patrol has won the last two contests - so let's try to beat them this time!
