Patrol News

SPL's

written by: Joey E.

Green Mountain football team is doing twice as good as all last year, they have won two games already. We all want to go to the Fall Camporee. The New England Patriots are already off to a bad start with Tom Brady out for the season. We all are excited for the caving.

The Backpacking trip was awesome, but almost too easy. The caving sounds pretty sweet too

Spicy Chicken Hawk Patrol

It's been a great couple of weeks with lots of things to look forward to. First of all, Second Wind Run is coming up and it's going to be a blast, yes again. Second, Camporee is going to be at PV this year it is going to be great. Popcorn forms are out and lots of prizes to get, and money for your scout account.

Scoutmaster Minute

Dear Troop,

Here is a question, what makes you –you? Or how are you defined? Is it the clothes you wear? Is it the games you play? Is it the car you drive? The grades you get?

I believe it is the choices you make and what you do with them. If you choose things based on internal motives, then you are not looking out for the welfare of others -more your own. If you make decisions that benefit others then you are giving of yourself for other people. Either choice-it defines you and your direction in life. Scouting teaches that helping others and working in groups is the better way, because we need each other in more ways than we would ever know-like it or not. The Scout Law and Oath tells us how to be more than ourselves. So, again I ask, who are you?
